

REVIEW PROCESS

The review process for abstract/paper/poster submitted to the **International Conference on Modern Education Studies (ICONMES)** is refereed.

Submitted abstracts will be evaluated based on the abstract/proposal. Authors will be notified about their submission results in two weeks. **ICONMES 2022** has a double-blind peer-review process.

Submitted papers/posters will be reviewed by at least two international reviewers with expertise in the relevant subject area. Based on the reviewers' comments, papers/posters are accepted, rejected, or accepted with revision. If the comments are not addressed well in the improved paper/poster, then the paper/poster is sent back to the authors to make further revisions.

Accepted papers will be formatted by the **ICONMES 2022** organizing committee for publication in the proceedings.
